FROM THE VENETO

## About Rocca Sveva Soave Classico D.O.C. 2012

- **SOAVE** is comprised primarily of the Garganega (pronounced gar-GAH-nay-gah) grape.
- **Soave is crisp, light and refreshing** with notes of citrus, green apple and wild flowers. A bit more complex and fruitier than Pinot Grigio.
- **Did you know?!** SOAVE is Italy's favorite white wine.
- **SOAVE is wonderful with appetizers, salads, pasta, seafood, chicken and spicy cuisine.**
- **SOAVE Quality:** Within the SOAVE region are the D.O.C. (Denominazione di Origine Controllata) and Classico quality assurance denominations:
- Soave is arguably the most famous D.O.C. white wine in Italy. Soave D.O.C. was created in 1968 encompassing wines made from Garganega grapes grown on the hillsides in the Veneto region of northeastern Italy
- Today, the "Soave Classico" designation is reserved for grapes harvested around the best areas in the original and oldest classic "zone" of Soave in Verona.
