

## VERTIGO ROSSO IGT

*Composed of 100% estate grown grapes. Rich, soft notes of red and dark berries, black currant and vanilla entice with an inspiring elegance and persistence through a smooth, supple finish.*

**Region:** Friuli, Italy  
**Appellation:** Delle Venezie IGT  
**Grapes:** Merlot and Cabernet Sauvignon

---

**Vinification:** The grapes are carefully destemmed and the fruit is then crushed. Fermentation is carried out with maceration on the skins at controlled temperatures in stainless steel containers. The juice is pumped over the cap frequently for about three weeks, in order to extract color and aroma compounds from the skins.

**Aging:** Maturation in stainless steel and small barrels of French oak lasts for twelve months. The bottled wine is normally aged in temperature-controlled binning cellars for a minimum of four months.

---

**Color:** Intense ruby red with purple hues  
**Aroma:** Intense, fruit-forward with aromas of black cherry, currant and blueberries integrated with sweet spice and anise.  
**Palate:** Full-bodied, elegant and well-structured with well-integrated sweet tannins balanced with flavors of ripe red berry and black berry fruit.

---

**Serving Suggestions:** A versatile food partner, this wine pairs nicely with savory pasta or rice dishes, grilled or stewed meats and moderately-mature cheeses.

---

**Alcohol:** 13%
