

## BARBARESCO CRU 'NERVO' DOCG

*100% Nebbiolo handpicked from single 'Nervo' Cru vineyard. Complex bouquet of dark fruit with sweet spice. The outcome is an impressively structured, beautifully balanced wine with complexity, elegance and finesse.*

**Region:** Piedmont, Italy  
**Appellation:** Barbaresco DOCG  
**Grape:** 100% Nebbiolo

---

**Vinification:** The Nebbiolo grapes are picked fully riped and immediately crushed. The must is then left to ferment in stainless steel tanks at a controlled temperature. After the alcoholic fermentation, the ideal conditions are maintained for a complete malolactic fermentation.

**Aging:** The wine matures in stainless steel before undergoing twelve months of oak aging, partly in French oak tonneaux, and partly in traditional casks made of Slavonian oak. It is further aged in the bottle until its release, which varies on the vintage.

---

**Color:** Intense garnet red  
**Aroma:** Very complex bouquet of ripe red and dark fruit with sweet spices.  
**Palate:** A very well-balanced wine with a seductive, silky mouthfeel. It is a Barbaresco of extraordinary personality. Big and rich with exemplary balance.

---

**Serving suggestions:** Marries well with grilled meats and aged cheeses.

---

**Alcohol:** 14.5%
