

CAPEZZANA
CONTE CONTINI BONACOSI

GHIAIE DELLA FURBA I.G.T. 2009

93 POINTS

"Fresh raisins, soy sauce, a layer of cinnamon and a hint of animal on the nose. Well-balanced and showing espresso, strawberry and dark-chocolate-mousse flavors.

Polished tannins. Complex. Drink now, but better 2016."

"Lush and appealing, with ripe cherry, raspberry and spice flavors draped over an open-knit structure. Enjoy this over the next few years"

"Black cherry, plum, smoke, grilled herbs and leather meld together in Capezzana's 2009 Ghiaie della Furba. Soft and voluptuous at first, the 2009 has plenty of structure in support of the fruit. Smoke, tobacco, incense, new leather and toastiness from the

French oak linger on the finish.."
