

CASTELLO  
**Monsanto**

**CHARDONNAY IGT 2014**

**90 POINTS**

Based on my tasting, Castello di Monsanto passed the 2014 challenges with confidence. The Chardonnay-based white actually benefits from that "nervous" vein of acidity that keeps the wine so crisp and fresh.

All said and done, this is a fine set of wines from the Bianchi family.

Castello di Monsanto always shows a deft hand with Chardonnay and this vintage is no exception.

**The 2014 Chardonnay is an impressive effort.**

The wine offers good density and texture, and a complete set of varietal aromas that includes citrus, stone fruit and toasted almond.
